Q1 FY2020 Sales Performance

Apollo Pipes registers a healthy sales volume growth of 20% to 13,953 MTPA

New Delhi, July 1, 2019: Apollo Pipes Limited, among the top 10 leading piping solution providing Company in India, today announced its sales performance for the quarter ended June 30, 2019. The Company's overall sales volume stood at 13,953 MTPA, compared to 11,639 MTPA in Q1 FY19, registering a healthy growth of 20%. The growth was fueled by contribution from the cPVC and HDPE pipe segments. Further, growth in value-added product segment of Fittings assisted overall volume growth during the quarter.

The Company has begun the fiscal on a steady footing. Going forward, on the back of a healthy demand environment and with its strategic initiatives and new capacities going on-stream, the Company remains confident of improving its sales momentum in the coming quarters.
