#Amazing Everyday

Our Environment, Social, Governance and Safety Policy

Cost Savings and Energy conservation are one of the key focus areas for Apollo Pipes

- Installed rooftop solar plant at Dadri for optimum utilisation of energy
- Evaluating opportunities to install rooftop solar plants at Ahmedabad and Bengaluru in the near future
- Organized various awareness programmes for Shop-floor manpower to ensure optimum utilization of energy across plants
- Complete in-house set-up for re-use of Polymer Waste ensuring nil environmental pollution

Social Welfare of the Society

- Funds and efforts towards Education and Welfare of orphaned and abandoned children and Health Care of the unprivileged
- Associated with Bharat Lok Shiksha Parishad ("BLSPP") and FCS Foundation to include scholarship programme for meritorious students who are socially backward and under-privileged
- Effective safety policy and regular safety audits conducted regularly RO and water softening plant facilitating safe consumption of water Regular workshops & training for machine operations / handling & safety
- Mechanized Finished Goods movement Usage of masks and safety gears for plant personnel

Highest standards of corporate governance practices

- Maintains high levels of transparency, accountability in all its interactions with its stakeholders including shareholders, employees, lenders and the government

GROWTH LEVERS

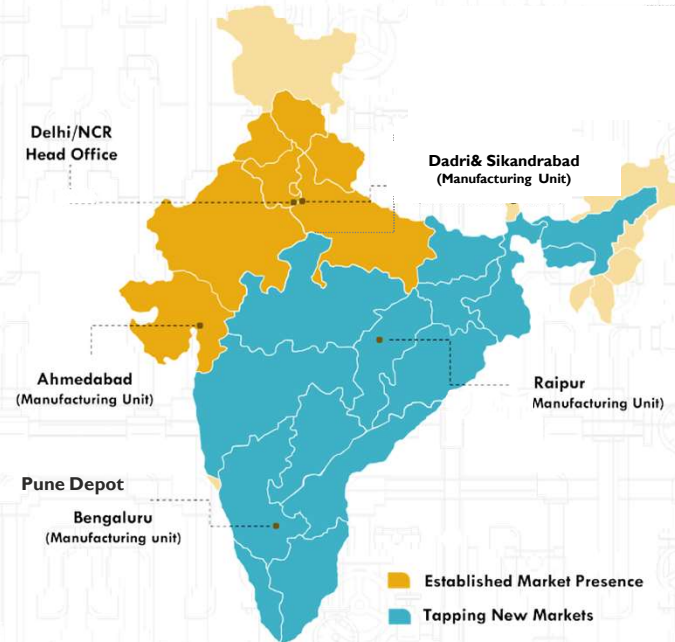

Key Business Strength

Strengthening distribution network across India to Augment presence and improve market penetration

200+ Distributors 500+ Dealers

Diversified Product Portfolio with total offerings at 1,600+, Aiming to achieve 2,500+ products to the basket

- Range of products manufactured at the technologically-advanced manufacturing facility at Dadri & Sikandrabad at U.P., Ahmedabad at Gujarat, Tumkur (Banglore) at Karnataka and Raipur at Chattisgarh.
- Successfully added Water Storage Tanks to our product Portfolio
- Launched 'Plastic Faucets, Taps and Showers' in the domestic market – to drive higher brand visibility through New Products

Capacity Expansion to aid long-term growth plan

MACRO GROWTH DRIVERS

PVC Pipe Industry

The Indian PVC pipes and fittings market expected to register 15% CAGR during FY22 - FY26

- The domestic plastic pipes industry size at ~ ₹ 350Bn
- Organized players account for ~70% market share
- Key features of plastic pipes against other pipes
 - Lightweight
 - Ease of transportation
 - Longer life span
- Key growth drivers:
 - Government's push for cleanliness and sanitation to boost water management sector
 - Increased Building of affordable houses and growing housing demand
 - Requirement for infrastructure for irrigation and water supplies

Demand Segmentation - Domestic Industry

Demand Split- Domestic Industry

At the Forefront of multiple sector trends

Urban Infrastructure & Construction

- Infrastructure push - plumbing and distribution requirements
- Water Management, Waste Management, Water Drainage & Sewerage System
- 'Housing for All' scheme and 'Smart Cities' scheme to drive demand
- Govt targeted construction of 20M and 40M houses in urban and rural areas, by 2022
 - One unit in the urban area nearly consumes 200 kg of PVC products
 - Rural house consumes ~75kg

Water Management

- Rehabilitation of aging pipelines and installation of new pipes in transportation of liquids offers a significant opportunity
- Government focus on providing clean water, clean cities with well-organized plans for sewage removal and efficient transport facilities
- National Rural Drinking Water Mission (NRDWM) to create a safe drinking water program

Agriculture Focus

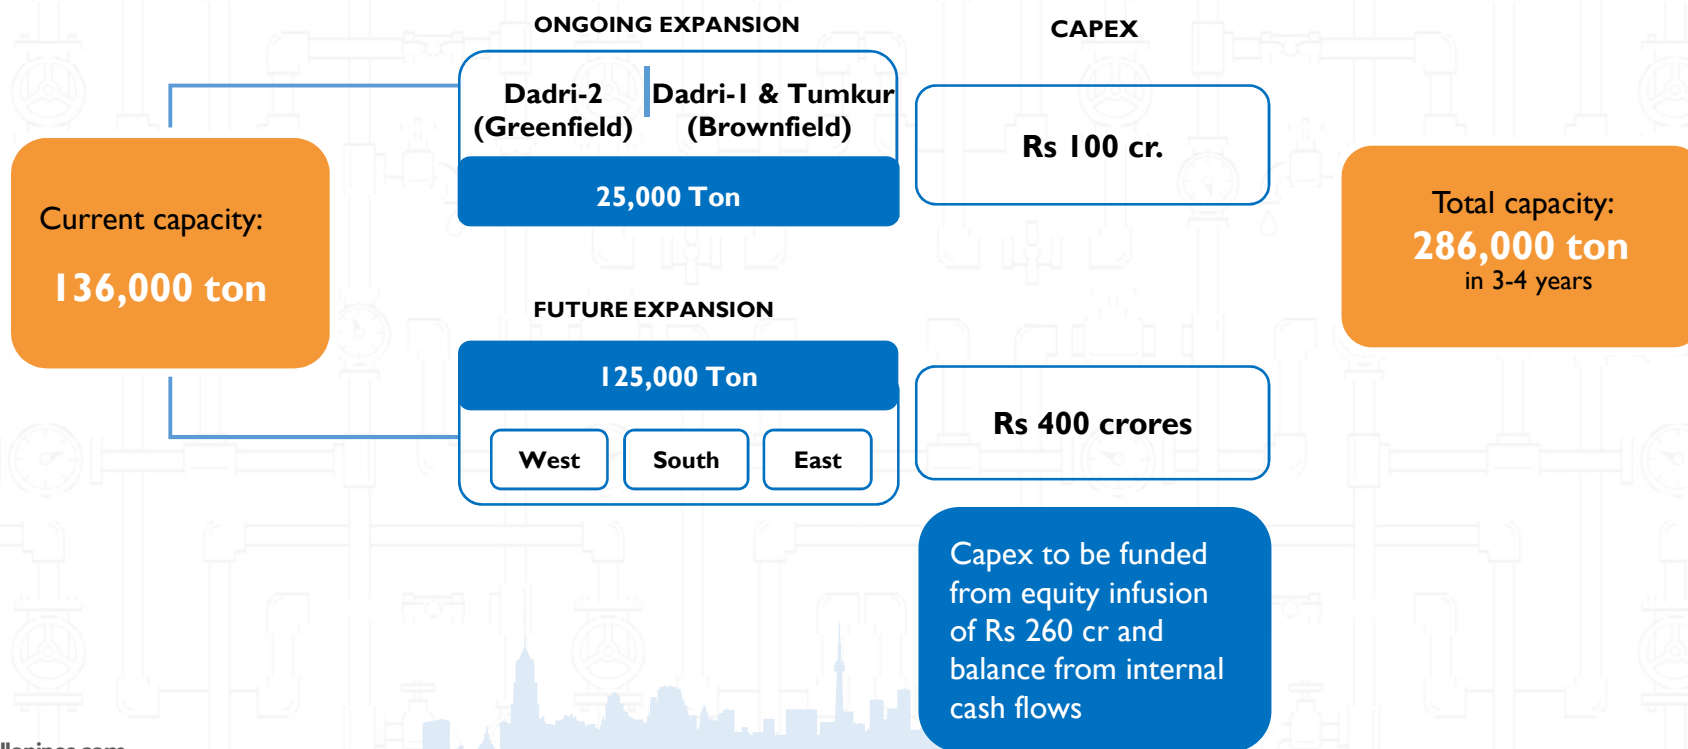

- Improving irrigation schemes for farmers
- Water Table Depletion – increase in bore well activities leading to higher demand of larger diameter pipes
- Increase in land under irrigation for food production
- Increasing agriculture focus will have better demand for irrigation and thus demand for PVC pipes

FUTURE OUTLOOK

Capacity expansion plan

Focus Areas for FY24

Strengthen
foothold in Pan
India

Undertake a
phase-wise
capacity expansion
at the existing
facilities over the
next few quarters

Register solid
growth in sales –
targeting revenue
growth of around
25%+

Penetrate and
establish
footprint into
neighboring
markets in
Central,
Western and
Eastern India

Improve
utilization at the
existing
manufacturing
plants at all
facilities

Undertake
various brand
building
exercises and
establish
stronger brand
recall in the
established
markets of Pan
India
